

Contents -- Bounce Forward: The Extraordinary Resilience of Nurse Leadership

Elle Allison-Napolitano, PhD and Daniel J. Pesut, PhD, RN, PMHCNS-BC, FAAN

Elle Allison-Napolitano is the founder and president of Wisdom Out. Elle works with leaders, aspiring leaders, senior leadership teams, work teams and leadership coaches; she teaches them the strategies, practices and tools they need to increase their organization's capacity for positive change and sustainable results.

Daniel J. Pesut is a nurse educator who has spent 39 years helping people develop the critical and creative mindset that supports the development of leadership insights. He has a long-standing interest in supporting the personal and professional renewal of nurses in practice, education and research contexts.
